## In Memoriam

ELLIS DEXTER ATWOOD

1889 - 1950

The accident to Ellis Atwood on November 26 at his office building which resulted in his untimely death four days later came as a shock to the entire town of Carver, and particularly to the town officers, past and present, with whom he had so often served— on the Board of Selectmen, School Committee, Finance Committee and in other capacities.

He was born on June 16, 1889 at the old Island Farm, South Carver and with the exception of periods for schooling and a

tour of military duty during World War 1, was away but short periods from this town which he loved and in which he spent his entire life. The cranberry property which came to him from his father, Stephen Dexter Atwood, he expanded through construction and purchase into the largest such property controlled by a single owner. His knowledge of cranberries and pronounced business ability, caused his council and services to be sought throughout the industry and he held offices in all of the leading cranberry organizations. His screen house, the living quarters for the personnel of his plantation and the landscaping surrounding the layout, creates a model not equaled anywhere in the industry.

When the last of the 24 inch narrow gauge railroads in Maine were being abandoned, Ellis, for years keenly interested in railroading, purchased most of the rolling stock of these roads and trucked the equipment to Carver, where it was completely renovated. The rail system which he constructed over his bog property became one of the outstanding attractions of eastern Massachusetts, and people from all parts of the nation came to ride in the diminutive coaches, and what was originally started more as a hobby he developed into a paying proposition.

Ellis Atwood truly enjoyed people and he got a great "kick" out of the great throngs coming annually to view his beautiful Christmas displays that were later transferred to the railroad property and combined with it during the Holiday Season.

He was genial and kindly always and few indeed are those who ever saw him angered. Deeply sympathetic to the misfortune of others, he was ever ready with a helping hand. His philanthropies which were many and varied were never advertised so were seldom known except to the recipients.

Ellis, as Carver's outstanding and most respected citizen, we salute you.

### REPORT OF TOWN AUDITORS

We, the Auditors of Carver, have completed an audit of the records and books of the Town of Carver, and find them to be correct and in good order, as of December 31, 1950.

WARREN L. CHANDLER  
HARRISON W. JORDAN  
Board of Auditors.

## STATE AUDIT

---

To the Board of Selectmen  
Mr. Jesse A. Holmes, Chairman  
Carver, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Town of Carver for the period from September 27, 1949 to December 9, 1950, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

FRANCIS X. LANG,  
Director of Accounts.

Mr. Francis X. Lang  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the Town of Carver for the period from September 27, 1949, the date of the previous examination, to December 9, 1950, and report thereon as follows:

The financial transactions, as recorded on the books of the several departments collecting or disbursing money for the town or committing bills for collection, were examined, checked, and verified with the books of the town treasurer.

General ledger accounts were compiled for the period covered by the audit; the appropriations, loan authorizations, and transfers as recorded were checked with the town clerk's records of town meetings and with the finance committee's records of transfers from the reserve fund; and a balance sheet,

showing the financial condition of the town on December 9, 1950, was prepared and is appended to this report.

The books and accounts of the town treasurer were examined. The recorded receipts were analyzed and checked with the records of the departments making payments to the treasurer and with the other sources from which money was paid into the town treasury, while the payments were compared with the treasury warrants approved by the Board of Selectmen authorizing the treasurer to disburse town funds. The cash balance on December 9, 1950 was proved by reconciliation of the bank balances with statements furnished by the banks in which town funds are deposited and by actual count of the cash in the treasurer's office.

The savings bank books and securities representing the investment of the trust and investment funds in the custody of the town treasurer and the trustees were examined and listed. The income was proved and the withdrawals were checked with the receipts as recorded on the treasurer's cash book.

The recorded payments on account of debt and interest were compared with the amounts falling due and checked with the cancelled securities on file.

The records of tax titles held by the town were examined and checked. The amounts added to the tax title account were compared with the tax collector's records, and the tax titles on hand were listed and checked with the records in the Registry of Deeds.

The books and accounts of the tax collector were examined and checked. The accounts outstanding according to the previous examination and all subsequent commitment lists were audited and proved. The collections as posted on the commitment books were compared with the cash book collections and with the recorded payments to the town as shown by the treasurer's cash book. The Abatements of taxes and motor vehicle and trailer excise as entered on the commitment books were checked with the assessors' records of abatements granted, and the outstanding accounts were listed.

The records of departmental accounts receivable were examined and checked. The recorded receipts were checked with the payments to the treasurer and the outstanding accounts were listed and proved.

Verification of the outstanding accounts was made by sending notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The records of licenses and permits issued by the selectmen, the town clerk, and the police department were checked, the payments to the town treasurer being compared with the treasurer's cash book.

The surety bonds of the town officials required by law to furnish them for the faithful performance of their duties were examined and found to be in proper form.

The records of the sealer of weights and measures and of the school, library, and cemetery departments, as well as of all other departments collecting money for the town, were examined and checked, and the payments to the treasurer were verified.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax, motor vehicle and trailer excise, tax title, and departmental accounts, together with tables showing the transactions and condition of the trust and investment funds.

While engaged in making the audit cooperation was received from the officials of the town, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,

Assistant Director of Accounts.

1951 Winter Term: Begins Tuesday, January 2nd; closes Wednesday, April 18.

Vacations: February 19-23, April 19-27; closed Good Friday, March 23.

1951 Spring Term: Begins Monday, April 30; closes Friday, June 8\*.

Holiday, May 30; graduation exercises June 7\*.

1951 Fall Term: Begins Wednesday, September 5; closes Friday, December 21.

Holidays: October 12, Teachers' Convention—October—date unannounced; November 12, 22 and 23.

1952 Winter Term: Begins Wednesday, January 2.

- \* The school session will have to be prolonged an additional week from these dates if days are lost on account of bad weather through the winter.

---

## REQUIREMENTS FOR ADMISSION TO FIRST GRADE

1. A child who will reach his sixth birthday on or before December 31st may be admitted to the first grade in September 1951, without examination.
2. A child whose sixth birthday occurs in the two months after December 31st may be admitted the preceding September if readiness for school can be demonstrated by means of appropriate tests. Parents having a child whom they wish to be examined under this rule are required to make application to the Superintendent of Schools on or before August 15th preceding the opening of school in September. A special form will be furnished for this purpose upon written request from the parent.

## CLOSING OF SCHOOLS

It is the policy of the School Committee to close schools only under the severest weather conditions or on such occasions when it is dangerous to operate school busses. At other times, parents are expected to use their own judgment in sending children to school. When a decision to close schools has been made, this information will be broadcast through the courtesy of radio stations WBZ and WNBH.

From the records of the School Committee:

Voted: That the report of the Superintendent of Schools and other officers of the school system be hereby adopted as the report of the School Committee for 1950.

JOHN CARTER, Chairman  
DORIS E. DUNKLEE, Secretary  
FRANK H. COLE

School Committee.

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my report on the condition of the schools for the Town of Carver, a part of the School Superintendency Union No. 42.

We have been asked to limit the length of our reports to the strict essentials for this year, consequently I merely touch briefly on some of the more important items. The financial accounts for the year just closed appear on preceding pages and reports of other persons concerned with separate segments of the school program are appended to this report. I call your attention to the total of the reimbursements which were received this year. While we face a period of steadily mounting school costs, as in all other branches of activity, we are also receiving the highest amount of state aid and income on account of schools which has ever been received and I estimate this level of aid to continue in the next year.

The customary census table is contained in this report. The numbers enrolled in the local schools has held firm, as compared with last year and is, in fact, three greater. When it could be determined in June what, exactly, the grade enrolment would be in the fall when schools reopened, it became apparent that other arrangements would have to be made for the new fifth grade as there were forty-four fifth-grade pupils to be taught. This represented an impossible number under the best of conditions for one teacher to handle and, with no space available at the Center School, beyond consideration. The committee investigated suggested possibilities where classes might be held but met with little encouragement. As there seemed no alternative, a classroom was prepared at the basement of the Benjamin Ellis School where thirty pupils might be located. The room was properly equipped with furniture, heat, light and chalkboards and a group of pupils, mostly fifth and a few fourth grade, were accommodated at that place. All considered, it was the best solution to a difficult problem which could be made. It had been hoped this problem might be postponed until the new school was ready

and thus avoid the additional expense for making the room livable for daily use. Not being able to avoid this, it was done as economically as possible. The furniture will be transferred to the new building when the time comes to move into it.

Once again we are fortunate to have no changes in staff to record. All of the teachers previously serving the town elected to return and continue the work in the schools and all members are looking forward to finding their places in the new school when it is opened for use. When it was known that a classroom would be opened in the basement of the Benjamin Ellis School, teachers were sought to take the position. Among those available, Constance B. Holmes (Mrs. Norman V.) was recommended by the superintendent and elected by the committee to the position. The arrangement has been a satisfactory solution to the somewhat difficult problem of trying to handle the number of pupils with less than adequate classroom space in the existing buildings. The coming of the new school makes it unnecessary to contemplate the use of the temporary quarters beyond the end of the current school year.

Relationships continue satisfactory with the Plymouth School authorities for the continued instruction of our secondary pupils in that town. A slight decrease in the cost of senior high school tuition is anticipated but this will be offset by a corresponding increase in the junior high rate. With a steady increase in the number of secondary pupils to be trained, there is no likelihood of a decrease in the needs for tuition money. The increases which we have had in the elementary grades over the past few years are now beginning to reach the secondary school age. The combined influence of both more pupils and greater unit cost will keep the requirements for high school tuition at a high figure.

Study was given to transportation routes this past year so that the pupils might be better served. The high school routes had to be altered so that the load was more equitably distributed over two busses and a change was made in one elementary route to avoid the need for having pupils stand while

being transported. In looking forward to the future, the routes will have to be laid out anew, as the transportation to one central school, at one time, or nearly so, will require more and larger busses. These changes will require additional funds for purposes of transportation next year but funds expended for this purpose are fully reimbursable, after the Town has deducted its \$5.00 per each child in net average membership.

As three of the five contracts for transportation routes do not expire until 1951, no action was necessary this year on these; two others did expire. These were advertised for bid as required by the statute. Theo Thomas was the only bidder on the route he formerly held and same was awarded to him. The route formerly covered by Mr. Griffith received two bids and this work was awarded to Aime Desroches, as low bidder. These contracts were let on a one-year basis only, so that all might be revised at the time the new school was occupied.

Much of my time and effort has, of necessity, had to be directed to matters pertaining to the new school building, either as to planning for services and facilities or to the general scope of the program which may be carried on in the building after it is available. The members of the school staff have been most helpful in trying to carry out their responsibilities in such a manner as to be least demanding on the time of the superintendent. When we can come to more routine proceedings, time should be spent on curriculum, methods and materials for the school program.

I appreciate the interest and care which the committee takes in deciding the many problems which come before it in the matter of general policies to be observed in the conduct of the schools. As we look forward to the coming of the new building, we are in a position to plan an excellent school program for the elementary children of the town.

Respectfully submitted,

GEORGE R. AUSTIN,

Superintendent of Schools, Union No. 42

## REPORT OF THE PRINCIPAL OF THE CENTER SCHOOL

---

To the Superintendent of Schools:

While a new class room was added at the Benjamin Ellis School to relieve the crowded conditions in the other schools of the town, the enrollment as of October 1 was only four less than that of the previous school year. The combined Grades IV and V have their home room with Mrs. Moore. To relieve her teaching load of thirty-nine pupils, the grades are separated in Arithmetic, Geography, and Reading. The added groups are taught by Mrs. Marion and Mrs. Hattie Griffith. There have been few other changes in our school work as carried on in the school year of 1949-50. In addition to her work in Domestic Science, Mrs. Hattie Griffith now teaches Arithmetic and Geography in Grade VII, Health in Grades V and VI. Latin was previously offered during the latter half of the year. Now we begin the study in November. The added time brings us more in line with the work being offered in Plymouth.

The Metropolitan Achievement Tests were administered to Grades V and VI during May. Grade V scored three points below the norm of the grade, Grade VI scored seven points above the average. Intelligence tests were given to all members of Grade VIII, this being the third such test given to the group since its entrance in the Carver school system. All test records were entered on each pupils permanent record envelope which is forwarded to Plymouth when the pupil enrolls there in Grade IX.

The sales in the magazine drive totaled \$591.50 from which a profit of \$149.10 was realized. This was added to the school fund which now has a balance of \$146.26. Money from this fund pays a large part of the Boston trip for Grade VIII, and this year was used in part for the tour Grades IV and V made of historic Plymouth.

The graduation exercises centered about James Polk. Prizes in the essay contest sponsored by the Julian Southworth Post of the American Legion were won by Sandra Eastman and Jacqueline Weston. A list of the graduates follows:

a—Henry April	a—Mary Lopes
a—Betty Barboza	a—Francis Merritt Jr.
b—William Brier	b—George Orzechowski
a—Barbara Bumpus	a—Philip Owens
a—David Cobb	a—Jennie Pina
a—Louis Correia	a—Mary Ann Pina
a—Sandra Eastman	a—Frances Russell
a—Joan Fava	a—Patricia Santarpia
a—Mary Fontes	a—Richard Saunders
a—Frank Gomes	a—Ann Silva
a—John Goodreau	a—Rita Silva
a—Daniel Grace	a—Severino Silva Jr.
a—Katherine Hacking	a—Frederick Simmons
a—Richard Johnson	a—Joseph Spinola
c—Marilyn Knight	b—Eleanor Sylvia
a—Harley LeCain	a—Jacqueline Weston
a—Shirley Linton	a—John N. Young
a—Andrew Lopes Jr.	

a—Plymouth Junior High School  
b—Out of School  
c—Wareham High School

We of the Center School appreciate the support and guidance given us by you and by the School Committee.

Respectfully submitted,

HENRY M. SHAW,  
Principal

## REPORT OF SUPERVISOR OF ART AND MANUAL TRAINING

---

Mr. George R. Austin  
Superintendent of Schools, Union No. 42  
Middleboro, Massachusetts

Dear Mr. Austin:

In compliance with your request, I herewith submit the annual report of Art and Manual Training for the year 1950.

A new comprehensive Study Guide was prepared by me for each teacher of grades one through eight.

Art work has progressed in the same general channels as formerly, through creative activities and correlation units.

CONSTRUCTION has been the major theme in Primary Grades, usually in connection with color and design. Projects including panels, murals, figure drawing and illustrations of seasonal activities were completed. Units on different countries were developed and correlated with the regular school program, and portfolios were constructed to contain the finished work, which is taken home periodically.

Lessons in folding, measuring and cutting lead to structural experiences in upper grades. Problems are necessarily simple and related to children's interests. It is hoped that free cutting and inventive uses of paper and other materials will add creative quality to the directed work.

COLOR: In grades seven and eight, Monochromatic Harmony was emphasized by the Color Wheel, and reproduced in designs from Nature, illustrating formal and informal balance.

REPRESENTATION and pictorial drawing portraying events in history, scenes in geography, and characters in literature, and also stressing contrast, variety, center of interest, balance, proportion and perspective were all studied in detail.

CREATIVE ART: Wall Paper and textile designs, finger-painting and construction, afforded opportunity for release of ideas, information, and the emotions through creative processes, stimulating the imagination and arousing an earnest desire for accomplishment.

Many of the members of the seventh grade derived much pleasure in the fashioning of very graceful and colorful "Ming Trees".

Patterns and projects from Stanley Tool Co. were purchased for use in grades seven and eight in Manual Training. The boys have enjoyed making these new models, and although smaller than some made in previous years, the coping saw was brought into use more than usual and the making of different "joints" was a frequent problem.

Respectfully submitted,

STELLA F. N. MORRISON,  
Supervisor of Art and Manual Training

## SCHOOL NURSE

---

Middleboro, Mass.,  
December 31, 1950.

To the Superintendent of Schools:

Herewith I submit my sixth annual report for the Town of Carver, year ending December 31, 1950.

In reviewing my first year as full time Nurse in the Union, it is interesting to note the increased number of visits both to schools and homes that have been made possible by these extra days, namely 157 school, 286 classroom and 103 home visits.

Multiple ear testing was carried out in all grades above the second by means of the Pure Test Audiometer, twenty pupils being done at one time, with three failures noted. These were later given individual tests and referred to their family physician.

Mass. Vision tests were again conducted in all grades. Of the twelve failures noted, corrections have been made possible in 7 cases with the use of glasses.

All pupils were weighed and measured twice during the year, three overweights and two underweights having been noted. Home visits have been made regarding these pupils and the parents were found to be most co-operative.

The annual physical examination of the 282 enrolled pupils was under the direction of Dr. Vernon Mayo, School Physician. There were only five notices sent to parents which tells us in what excellent physical condition our young people are today.

We cannot seem to avoid an outbreak of contagion sometime during the school year, so once more I must report the

visitation of measles, mumps and whooping cough. Because a pupil may not return to school after an illness with a communicable disease unless he brings a certificate from the local Board of Health or physician, I urge the co-operation of every parent in carrying out this ruling.

In October, Mrs. Bernadine Tassinari, dental hygienist from the Massachusetts State Department of Health conducted a survey in all schools. This has proven to be most effective in stimulating interest among the children, to visit their own dentist and have the recommended fillings and extractions cared for. At this time it is not possible to give an accurate account of the number of pupils treated since only in a few instances has the work been completed. However, I feel it is a long needed service in our schools and I am sure my next report will show a decided decrease in the number of defects found.

To arouse special interest in the Community X-Ray Survey held last June the film, "Good Bye Mr. Germ" was shown at the Centre School. Consequently 60 pupils from Grades 7 and 8 had chest X-Rays the results of which were later reported to be negative.

On occasion I have transported pupils to their homes, doctors' offices, and crippled childrens' clinic, Brockton. I have also attended conferences at the State Hospital in Taunton, Norton and Framingham in the interest of Public Health.

I am once more grateful to Mr. Austin, the School Committee, Teachers, Parents and friends for their continued interest and co-operation.

Respectfully submitted,

MADELINE A. BAKER, R.N.

Public Health Nurse.

## SCHOOL SUPERINTENDENCY UNION NO. 42

### Report of the Secretary

The annual meeting of the School Superintendency Union No. 42 was held at the Assawompset School in Lakeville on the evening of April 24, 1950.

The officers elected for the year were John Carter, Chairman and Doris E. Dunklee, Secretary.

Due to the interest of the members in the new addition to the Assawompset School, the committee held its semi-annual meeting there on the evening of November 30, 1950. The superintendent and the Lakeville School Committee took us on an inspection tour of the school. We could readily see that this building was built to stand the test of time and supply the school children with the modern facilities so necessary for education today.

Due to the increasing amount of business being carried on at the union office the committee thought it advisable that a full time clerk be employed. After considerable thought Miss Washburn has decided to work full time for the union.

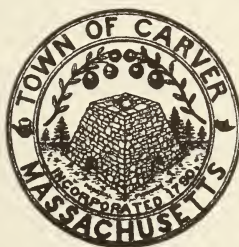

During the year Mr. Austin made an extensive survey of the salaries, transportation reimbursements and duties of the school nurses in the school systems of the southeastern part of Massachusetts. This data has proved very helpful to the committee in setting our school nurse's salary and schedule and we feel certain it will be just as valuable to other towns in this area.

We of the committee extend our thanks to Mr. Austin for his invaluable help to the three committees in their building programs. His help has reached far above and beyond what could be called his duty.

Respectfully submitted,

DORIS E. DUNKLEE, Secretary

**TOWN WARRANT**  
**AND REPORT OF**  
**FINANCE COMMITTEE**  
**OF THE**  
**TOWN of CARVER**  
**MASSACHUSETTS**

Annual Town Meeting, March 5, 1951

at 12:00 Noon

## TOWN WARRANT AND REPORT OF FINANCE COMMITTEE

---

Plymouth, ss. To either of the Constables of the Town of Carver, Plymouth County, Greetings:

In the name of the Commonwealth of Massachusetts, you are directed to notify the Inhabitants of the Town of Carver qualified to vote in elections and in town affairs to meet at the Town Hall in said Carver on Monday, the fifth day of March, 1951 at twelve o'clock noon, then and there to act on the following article, namely:

Article 1. To choose all necessary town officials, the following officers to be voted for all on one ballot, viz: Three Auditors, Three Constables, Three Herring Committeemen, One Tree Warden, One Highway Surveyor each for one year. One Moderator, One Assessor, One Selectman, One School Committeeman, One Cemetery Commissioner, One Park Commissioner, One Member of Public Welfare, and Two Library Trustees, each for Three Years.

The polls will be open for at least seven hours.

And you are directed to further notify said Inhabitants of said Town that as soon as the ballots have been counted the meeting will adjourn to Tuesday, March 6, 1951, at nine o'clock A. M. and at that time will reconvene at said Town Hall in said Carver, then and there to act on the following articles, namely:

Article 2. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1951, and to issue a note or notes therefor, payable within one year, and to renew

any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 2. Recommended by the Finance Committee.

Article 3. To see if the Town will vote to appropriate a sum of money not to exceed one thousand dollars (\$1,000.00) from free cash in the town treasury for the sole purpose of meeting charges against the cemetery funds in the town treasury.

Article 3. Recommended by the Finance Committee.

Article 4. To see if the Town will vote to accept the cemetery fund or funds paid into the town treasury under perpetual care statutes, or act anything thereon or thereto.

Article 4. Recommended by the Finance Committee.

Article 5. To see if the Town will authorize the Selectmen to prosecute, compromise or defend suits for or against the Town.

Article 5. Recommended by the Finance Committee.

Article 6. To see what disposition the Town will make of the Dog Fund.

Article 6. Recommended by the Finance Committee that the Dog Fund be transferred to the Library Account.

Article 7. To see what amount the Town will vote to raise and appropriate for the use of Plymouth County Trustees for County Aid to Agriculture, and choose a Town Director as provided in Sections 41 and 45 of Chapter 128 of the General Laws, and act thereon.

Article 7. Recommended by the Finance Committee that \$100.00 be raised and appropriated.

Article 8. To see if the Town will vote to fix the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41, General Laws, as amended:

Highway Surveyor .....	\$150 per hour
Town Treasurer .....	\$1,200.00
Town Clerk .....	600.00
Tax Collector .....	1,200.00

Moderator \$20.00 for the Annual Town Meeting and \$5.00 for each Special Town Meeting.

Members of School Board \$2.50 for each meeting, plus \$1.00 per hour for all meetings of over 2½ hours.

All other elective Town officers \$1.25 per hour.

Article 8. Recommended by the Finance Committee, except as follows:

Highway Surveyor .....	\$1.25 per hour.
All other elective town officers	\$1.00 per hour.

Article 9. To see if the Town will vote to raise and appropriate a sum of money not to exceed thirty-five hundred dollars (\$3,500.00) for the 1951 Reserve Account, and act anything thereon or thereto.

Article 9. Recommended by the Finance Committee.

Article 10. To see if the Town will vote to authorize the Board of Public Welfare to use the Federal Government Reimbursement for administration, and to act anything thereon or thereto.

Article 10. Recommended by the Finance Committee.

Article 11. To choose all necessary Town officers not elected by ballot.

Article 12. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds in the

treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

Article 12. Recommended by the Finance Committee and the Selectmen that \$3,000.00 be raised and appropriated, and not over \$9,000.00 to be transferred from unappropriated available funds in the Treasury to meet the State's and County's shares of the cost of work, the reimbursements from the State and County to be restored, upon their receipt, to unappropriated available funds in the Treasury.

Article 13. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 81 Highways, or take any other action in relation thereto.

Article 13. Recommended by the Finance Committee and the Selectmen that \$6,500.00 be raised and appropriated, and not over \$17,875.00 be transferred from unappropriated available funds in the treasury to meet the State's share of the cost of the work, the reimbursements from the State to be restored, upon their receipt, to unappropriated available funds in the treasury.

Article 14. To see if the Town will vote to authorize the Cemetery Commissioners and the Park Commissioners to employ themselves as laborers in the Cemeteries and Parks, and act anything thereon or thereto.

Article 14. Recommended by the Finance Committee.

Article 15. To see if the Town will vote to raise and appropriate the sum of six hundred and fifty dollars (\$650.00) to be used to pay for all private work and materials in Town Cemeteries, such as, opening graves, foundations, as according to General Laws, Chapter 44, Sec. 53.

Article 15. Recommended by the Finance Committee.

Article 16. To hear the report of any standing committees and act anything thereon or thereto.

Article 16. Recommended by the Finance Committee to hear the report of any standing committees and to establish any new committee and/ or committees and act anything thereon or thereto.

Article 17. To see if the Town will vote to transfer the sum of fourteen hundred and forty dollars (\$1,440.00) from the Road Machinery Fund to the Machinery Account, and act thereon or thereto.

Article 17. Recommended by the Finance Committee.

Article 18. To see if the Town will vote to appropriate, from available funds in the treasury, the sum of eight thousand dollars (\$8,000.00) for the purchase of a school bus to be used under the direction of the school committee for the transportation of school pupils, and act thereon. By request of the School Committee.

Article 18. Not recommended by the Finance Committee.

Article 19. To see if the Town will vote to raise and appropriate the sum of seventy-one dollars and sixty-two cents (\$71.62) to pay the following 1950 unpaid bills— namely:

Public Welfare .....	\$50.00
Aid Dependent Children .....	\$12.00
Old Age Assistance .....	\$9.62

and act thereon or thereto.

Article 19. Recommended by the Finance Committee.

Article 20. To see if the Town will vote to raise and appropriate a sum of money to be used in conjunction with Federal reimbursement for administrative expense to enable the Board of Public Welfare to hire a Welfare Worker and to provide the payment therefor.

Article 20. Recommended by the Finance Committee.

Article 21. To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

Article 21. Recommended by the Finance Committee.

And you are directed to serve this warrant by posting up attested copies thereof, at the several places designated by vote of the Town seven days at least before the time of holding said meeting.

Hereof fail not and make due returns of this warrant, with your doings thereon, to the Town Clerk at the time and place of meeting aforesaid.

Given under our hands this 12th day of February in the Year One Thousand Nine Hundred and Fifty-one.

JESSE A. HOLMES,  
BERNARD W. ROBY,  
ONNI HJ. ERICKSON,

Selectmen of Carver.

Finance Committee,

George Paulding, Chairman

Marjorie E. Telfer, Secretary
